Thank You for supporting the Summer Workshop!

Flexibility is the word of the day!

We realize many of you will be running multiple dogs, multiple classes, and multiple times and we'll make every effort to accommodate your needs. Please be considerate of your fellow exhibitors and try to be where needed when needed, but if you find that you have a ring conflict - just let the steward know and we'll work it out.

Not to worry - we'll make it happen for you!

See that attached class check-in lists for running orders and armband numbers.

Pre-Registered Armbands will be available for self-service pick up at the at the main Check-In table. They will be grouped and bundled by Handler last name so you'll have one bundle of Armbands to pick for all your dogs and runs. Once you've picked up your Armbands – stop by the ring to check-in and let them know you are present and ready to go.

Please setup along the outside perimeter of the bowl. This will provide ample space and a good view of all rings.

It is a privilege to hold this event at the Spreckels Memorial Park - please be considerate of local residents:

QUIET barking dogs

NO loose dogs

Be respectful of other groups and parties that may also be using the park

As always, this is a self-cleaning event – so please clean up after your own dogs.

We appreciate your thoughtful consideration.
